YOUR DONATION
HELPS PROVIDE THE
FOLLOWING:

● PEAK GRANTS

PEAK Grants (Promoting Excellence And Knowledge) are competitive classroom grants awarded to teachers annually for projects unable to be funded through District budgets. As of May 2019, 938 grants totaling more than \$977,856 have been awarded.

● CLASSROOM TECHNOLOGY

The Foundation is pleased to continue partnership support of the District's Connect2Learn initiative which provides Chromebooks for students. Helping provide technology tools that assist teachers and students is an ongoing commitment.

● HELPING HANDS FUND

The Foundation is committed to making sure all students have opportunities to learn. The "Helping Hands" fund provides for student needs that cannot be met through other school or community resources.

● SCHOLARSHIPS

The Foundation provides need-based student scholarships for IB testing at our high schools.
