## YOUR SUPPORT IMPACTS OUR STUDENTS EVERY DAY!

### World of Work Initiative GOAL: \$100,000

The World of Work Initiative seeks to connect students' identified talents and strengths to real world job opportunities they may have never realized existed.

### PEAK Classroom Grants GOAL: \$65,000

PEAK Grants (Promoting Excellence And Knowledge) are competitive classroom grants awarded to teachers annually for projects unable to be funded through District budgets. Sixty-eight new grants are helping students across the District this year!

### Need-Based Support for Students GOAL: \$100,000

Through the Foundation's Helping Hands Fund and need-based scholarships and grants, we are helping eliminate barriers that may stand in the way of learning.
